Per determinare se i 2 euro sono A o B procediamo in questa maniera.
To determine if the 2 euro are A or B we proceed in this way.
Pour déterminer si les 2 euro sont À ou B nous procédons dans cette manière.

Prendiamo la moneta e mettiamo verso l'alto la faccia nazionale:
We take the coin and we put upward the national face:
Nous prenons la monnaie et nous mettons vers le haut la face nationale:

Guardiamo le scritte sul bordo:
We look at the writings on the edge:
Nous donnons les inscriptions sur le bord:

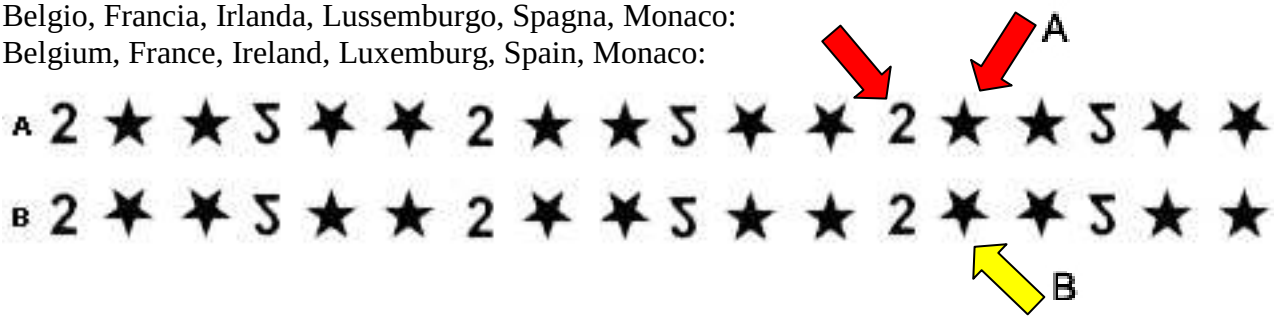

Per le monete con i 2 e le stelle:
For the coins with the 2 and the stars:
Pour les monnaies avec les 2 et les étoiles:

Bisogna trovare un 2 leggibile e guardare la stella alla sua destra: se la punta è verso l'alto la moneta è di tipo A.
It needs to find a 2 legible and to look at the star to his right: if the point is upward the coin it is type A.
Il faut trouver un 2 lisible et regarder l'étoile à sa droite: si la pointe est vers le haut la monnaie est de type A.
