The Royal Mint

A Timeless First

The George and the Dragon 2013 UK £20 Fine Silver Coin

This is the United Kingdom's first ever £20 coin, struck by The Royal Mint, home to Britain's coins for more than 1,000 years. It is minted in fine silver and carries one of the most famous designs ever to feature on Britain's coins – St George and the dragon, a design made famous on the gold Sovereign. The coin is legal tender, carrying the current portrait of the Queen on its obverse.
